

## Parking options at the Sunstar Hotel Lenzerheide

The following new parking options will be available starting in the 2022/23 winter season:

- Exterior car park in front of the Hotel CHF 10.– per vehicle per night
- Underground car park at/in the Hotel CHF 15.– per vehicle per night
- Local community car parks CHF 5.– per vehicle per night  
'Marktplatz' / 'Clavadoiras' → See reverse for map

### RESERVATION

To ensure there is space available for parking your vehicle when you arrive, please let us know that you require one when making your room booking or booking enquiry. If you do not book a space, we cannot guarantee there will be parking available.

### EXTERIOR AND UNDERGROUND CAR PARKS

You will be given your parking space number when you check in. Please park your vehicle only in the allotted place for the duration of your stay. We assume no liability or responsibility for incorrectly parked vehicles.

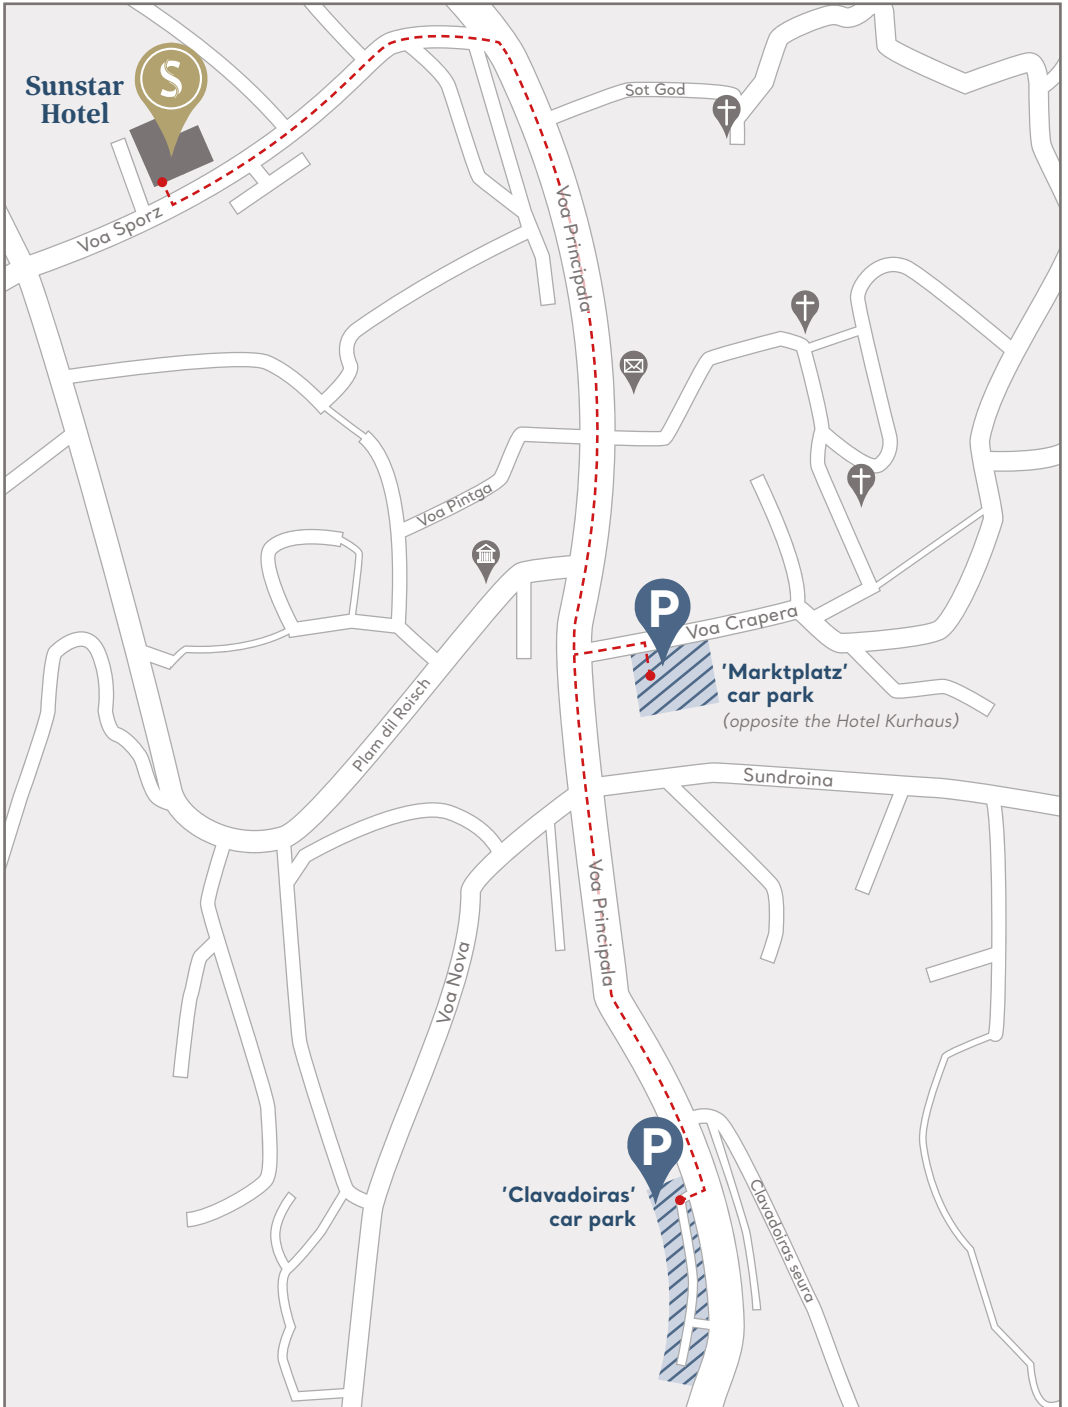

### LOCAL COMMUNITY CAR PARKS → See reverse for map

When you arrive at the hotel, you can pick up a community parking card from reception and park your vehicle in any of the spaces in either of the two local car parks (see booking plan). We run a daily shuttle service to and from both car parks. You can find the shuttle times on the notice board in reception.

Journey times: 'Marktplatz' approx. 10 mins, 'Clavadoiras' approx. 15 mins

**Returning your community parking card:** Cards are transferable, and CHF 100.– will therefore be added to your bill as a deposit, to be returned or deducted from your bill when you return the parking card.
